

CHRISTIAN WORSHIP

Alphabetical Listing of First Lines (Hymns Only)

Final – September 2009

A beautiful name I have heard

A debtor to mercy alone
A friend there is, your voices join
A fulness resides in Jesus our head
A good High Priest is come
A Man there is, a real Man
A mind at perfect peace with God
A parting hymn we sing
A pilgrim in a desert land
A pilgrim through this lonely world
A safe stronghold our God is still
A sovereign protector I have
Abide with me; fast falls the eventide
According to Thy gracious Word
Alas! And did my Saviour bleed
All glory and praise
All glory, laud, and honour
All glory to God in the sky
All hail the power of Jesus' name!
All my heart this night rejoices
All my hope on God is founded
All praise to our redeeming Lord
All praise to Thee, eternal Lord
All praise to Thee, who safe hast kept
All that I was, my sin, my guilt
All the way my Saviour leads me
All things bright and beautiful
All things praise Thee, Lord most high
All ye that pass by
Almighty Father of mankind
Almighty God, before Thy throne
Almighty God, Thy Word is cast
Amazing grace! how sweet the sound
Amidst us our Beloved stands
And am I only born to die
And are we yet alive
And can it be that I should gain
And did the Holy and the Just
And dost Thou say, 'Ask what thou wilt'?
And was it for my sin
And will the Judge descend?

Angel voices, ever singing
Angels, from the realms of glory
Angels gaze amazed in wonder
Another year has now begun
Answer for me, my Lord
Approach, my soul, the mercy-seat
Are we soldiers of the cross
Arise, my soul, arise
Arise, my soul, my joyful powers
Arm of the Lord, awake, awake!
Around Thy grave, Lord Jesus
Art thou weary, art thou languid
As pants the hart for cooling streams
As with gladness men of old
At even, ere the sun was set
At the name of Jesus
Author of life divine
Awake, and sing the song
Awake, my soul, and rise
Awake, my soul, and with the sun
Awake, my soul, in joyful lays
Awake, my soul, stretch every nerve
Awake, our souls! away, our fears!
Awake sweet gratitude, and sing
Away, distrustful care!
Away in a manger, no crib for a bed
Away with our fears

Be known to us in breaking bread

Be still my heart! These anxious cares
Be still, my soul: the Lord is on thy side
Be Thou my vision, O Lord of my heart
Be with me, Lord, where'er I go
Before Jehovah's awesome throne (aweful changed to awesome)
Before the throne of God above
Begin, my soul, some heavenly theme
Begin the day with God
Begone, unbelief
Behold a scene of matchless grace
Behold, how blessed is the place
Behold the amazing gift of love
Behold the amazing sight!
Behold, the great Creator makes
Behold, the mountain of the Lord
Behold the Saviour of mankind
Behold the servant of the Lord!

Behold the throne of grace
Behold, what wondrous grace
Believe not those who say
Beloved, let us love
Beneath the cross of Jesus
Beneath Thy cross I lay me down
Blessed assurance, Jesus is mine
Blessed be God, our God!
Blessed Jesus, at Thy word
Blest are the humble souls that see
Blest are the pure in heart
Blest be the everlasting God
Blest be the tie that binds
Blest is he who loves God's precepts
Blest is the man, O God
Blest morning, whose first dawning rays
Bread of heaven! on Thee I feed
Break Thou the Bread of Life
Breathe on me, Breath of God
Brethren, let us join to bless
Brightest and best of the sons of the morning
By Christ redeemed, in Christ restored
By grace I'm saved, grace free and boundless

Call Jehovah thy salvation

Captain of Israel's host, and Guide
Cast thy burden on the Lord
Child in the manger
Children of Jerusalem
Children of the heavenly King
Chosen of God e'er time began
Christ, above all glory seated!
Christ has a garden walled around
Christ is coming! let creation
Christ is our Corner-stone
Christ is risen! Hallelujah!
Christ is the foundation
Christ, of all my hopes the ground
Christ, the Lord, is risen today
Christ, whose glory fills the skies
Christian, seek not yet repose
Christians, awake! salute the happy morn
Clap your hands, ye people all
Come, dearest Lord, descend and dwell
Come down, O Love divine
Come every soul by sin oppressed

Come every thankful heart
Come, gracious Spirit, heavenly Dove
Come, Holy Ghost, all-quickening fire, Come, and in
Come, Holy Ghost, all-quickening fire, Come, and my
Come, Holy Ghost, my heart assure
Come, Holy Ghost, our hearts inspire
Come, Holy Spirit, come
Come, Holy Spirit, Dove divine
Come, Holy Spirit, God and Lord!
Come, Holy Spirit, heavenly Dove
Come, Holy Spirit, like a dove descending
Come, let us anew
Come, let us join our cheerful songs
Come, let us join our friends above
Come, let us sing of a wonderful love
Come, let us to the Lord our God
Come, let us with our Lord arise
Come, Lord, and tarry not
Come, my soul, thy suit prepare
Come, O Thou all-victorious Lord
Come, O Thou traveller unknown
Come, Saviour, Jesus, from above!
Come saints and sing in sweet accord
Come, Thou Almighty King
Come, Thou Fount of every blessing
Come, Thou long-expected Jesus
Come to our poor nature's night
Come to the Saviour now!
'Come unto Me, ye weary'
Come, we that love the Lord
Come, ye redeemed of the Lord
Come, ye saints, look here and wonder
Come, ye sinners, poor and wretched
Come, ye souls by sin afflicted
Come, ye thankful people, come
Come, ye that know and fear the Lord
Come, ye that love the Saviour's Name
Come, ye who bow to sovereign grace
Command Thy blessing from above
Commit thou all thy griefs
Compared with Christ, in all beside
Conquering Prince and Lord of glory
Crown Him with many crowns

Day of judgement! day of wonders!

Dear Jesus, come, my soul doth groan

Dear Lord, and shall Thy Spirit rest
Dear Lord, before we part
Dear Saviour, Thou art mine
Descend from heav'n, Immortal dove
Deep in my heart there is a sigh
Depth of mercy! can there be
Does the gospel word proclaim
Done is the work that saves

Earth, rejoice, our Lord is King!

Earth was waiting, spent and restless
Entered the holy place above
Enthroned thy God within thy heart
Enthroned on high, Almighty Lord
Ere I sleep, for every favour
Ere the blue heavens were stretched abroad
Eternal depth of Love divine
Eternal Father, strong to save
Eternal God, O Sovereign Grace
Eternal Light! Eternal Light!
Eternal Sun of Righteousness
Extended on a cursed tree

Facing a task unfinished

Far before time, beyond creation's dawn
Far beyond all comprehension
Far off I see the goal
Far off we need not rove
Father, how wide Thy glories shine
Father, in high heaven dwelling
Father, in whom we live
Father, let me dedicate
Father, let Thy kingdom come
Father of everlasting grace
Father of heaven, whose love profound
Father of Jesus Christ, my Lord
Father of mercies, bow Thine ear
Father of mercies, in Thy Word
Father of peace, and God of love
Father, though storm on storm appear
Father, 'twas Thy love that knew us
Father, whate'er of earthly bliss
Fight the good fight with all thy might
Fill Thou my life, O Lord my God
For a season called to part
For all the saints who from their labours rest

For ever here my rest shall be
'For ever with the Lord!'
For mercies countless as the sands
'For My sake and the gospel's, go'
For the beauty of the earth
For the bread and for the wine
Forth in Thy Name, O Lord, I go
'Forward!' be our watchword
Fountain of never-ceasing grace
From all that dwell below the skies
From deep distress I cry to Thee
From every stormy wind that blows
From far we see the glorious day
From heaven above to earth I come
From heavenly Jerusalem's towers
From heaven's eternal throne there came
From whence this fear and unbelief?

Gaze upon the hills of Zion

Give glory to God
Give me a sight, O Saviour
Give me the faith which can remove
Give me the wings of faith to rise
Give to our God immortal praise
Give to the wind thy fears
Glorious things of thee are spoken
Glory be to God on high
Glory be to God the Father
Glory be to Jesus
Glory, glory everlasting
Glory to God on high!
'Glory to God' the angel said
Glory to God, whose Spirit draws
Glory to Thee, my God, this night
Go, labour on; spend, and be spent
Go quickly, for the fading hours
Go to dark Gethsemane
God calleth yet: at last shall I not heed?
God eternal, can it be
God hath spoken by His prophets
God holds the key of all unknown
God in the gospel of His Son
God is a name my soul adores
God is gone up on high
God is in His temple
God is my strong salvation

God is the refuge of His saints
God made me for Himself to serve Him here
God moves in a mysterious way
God my king, Thy might confessing
God of mercy! God of grace!
God of mercy, hear our prayer
God of my life, through all my days
God of pity, God of grace
God of salvation, we adore
God of the covenant, Triune Jehovah
God shall alone the refuge be
God the All-terrible! King, who ordainest
God, who made the earth
Grace, 'tis a charming sound
Gracious Spirit, Dove divine
Gracious Spirit, Holy Ghost
Great God from Thee there's nought Concealed
Great God! how infinite art Thou!
Great God of Abraham! Hear our prayer
Great God of wonders! all Thy ways
Great God, we sing that guiding hand
Great God, what do I see and hear!
Great High Priest, we view Thee stooping
Great is the gospel of our glorious God
'Great is Thy faithfulness', O God my Father
Great providence of heaven
Great Shepherd of Thy people, hear
Guide me, O Thou great Jehovah

Hail! Holy, holy, holy Lord

Hail, sovereign love, that first began
Hail, Thou once despised Jesus!
Hail to the Lord's Anointed
Hallelujah! Hallelujah! Earth and heaven
Hallelujah! Hallelujah! Hearts to heaven
Hallelujah! Praise Jehovah!
Happiness, thou lovely name
Happy the home when God is there
Happy the man that finds the grace
Happy the souls to Jesus joined
Hark how the gospel trumpet sounds
Hark, my soul! it is the Lord
Hark, the glad sound! the Saviour comes
Hark! the herald angels sing
Hark! The song of jubilee
Hark! the voice of love and mercy

Hast thou not known, hast thou not heard
Hast Thou said, exalted Jesus
Have Thine own way, Lord
Have you been to Jesus for the cleansing power
Have you heard the voice of Jesus
He dies! The Friend of Sinners dies!
He giveth more grace when the burdens grow greater
Head of the church and Lord of all
Head of Thy church triumphant
Heal us, Immanuel; hear our prayer
Help us to help each other, Lord
Here behold a place of mercy
Here from the world we turn
Here I stand in sin by nature
Here is love, vast as the ocean
Here, O my Lord, I see Thee face to face
High beyond imagination
High in the heavens, eternal God
Himself He could not save
Holy Father, full of mercy
Holy Ghost, dispel our sadness
Holy, holy, holy Lord
Holy, holy, holy Lord God Almighty!
Holy Spirit, truth divine
How are Thy servants blest, O Lord!
How beauteous are their feet
How beautiful the sight
How blest is life if lived for Thee
How bright these glorious spirits shine!
How firm a foundation, ye saints of the Lord
How gentle God's commands
How glorious Zion's courts appear
How good is the God we adore
How gracious, kind and good
How happy are they
How happy every child of grace
How heavy is the night
How lovely are Thy dwellings fair!
How oft, alas, this wretched heart
How oft have sin and Satan strove
How pleased and blest was I
How precious is the Book divine
How sad our state by nature is!
How shall I follow Him I serve?
How shall I my Saviour set forth?
How shall I sing that majesty

How strange is the course that the Christian must steer
How sweet and awesome is the place
How sweet the name of Jesus sounds
How sweetly flowed the gospel's sound
How vast the benefits divine
How vast the treasure we possess!
How welcome to the saints when pressed
How willing was Jesus to die
How wondrous are the works of God
Humble souls who seek salvation
Hush, my soul, what voice is pleading?
Hushed was the evening hymn

I am not skilled to understand

I am Thine, O Lord; I have heard Thy voice
I am trusting Thee, Lord Jesus
I am waiting for the dawning
I asked the Lord that I might grow
I bless the Christ of God
I bring my sins to Thee
I cannot tell why He, whom angels worship
I could not do without Thee
I greet Thee who my sure Redeemer art
I have a Friend whose faithful love
I have not seen Thy face, O Lord
I hear the words of love
I hear Thy welcome voice
I heard about the Son of Man
I heard the voice of Jesus say
I hunger and I thirst
I know not why God's wondrous grace
I know that my Redeemer lives
I lift my heart to Thee
I love Thy kingdom, Lord
I need Thee every hour
I need Thee, precious Jesus!
I often say my prayers
I once believed my life a gain
I once was a stranger to grace and to God
I saw a new vision of Jesus
I sing the almighty power of God
I sought the Lord, and afterward I knew
I stand amazed in the presence
I thirst, Thou wounded Lamb of God
I wait on Thee, O Lord
I want the Spirit of power within

I will sing of my Redeemer
I will sing the wondrous story
I'll praise my Maker while I've breath
I'm not ashamed to own my Lord
I've found a Friend, O such a Friend!
I've found the pearl of greatest price
If gazing strangers want to know
If God himself be for me
Immortal honours rest on Jesus' head
Immortal, invisible, God only wise
In doubt and dread dismay
In Eden – sad indeed that day
In evil long I took delight
In full and glad surrender
In heavenly love abiding
In lovingkindness Jesus came
In memory of the Saviour's love
In tenderness He sought me
In the hour of trial
In Thy great Name, O Lord, we come
In Thy Name, O Lord, assembling
Indulgent God, how kind
Infinite God, to Thee we raise
Inspirer of the ancient seers
It came upon the midnight clear
It is a thing most wonderful
It is finished, sinners hear it
It is my sweetest comfort, Lord
It is not death to die
It is the Lord my covenant God
It passeth knowledge, that dear love of Thine

Jerusalem the golden

Jesu, Lover of my soul
Jesus, all-atoning Lamb
Jesus, and shall it ever be
Jesus calls us! O'er the tumult
Jesus, engrave it on my heart
Jesus! Exalted far on high
Jesus, Friend of sinners, hear
Jesus, I am resting, resting
Jesus, I my cross have taken
Jesus, I will trust Thee
Jesus, immortal King, go on
Jesus, in Thee our eyes behold
Jesus invites His saints

Jesus is our God and Saviour
Jesus, Jesus all-sufficient
Jesus, keep me near the cross
Jesus lives! thy terrors now
Jesus, Lord, we look to Thee
Jesus, my All, to heaven is gone
Jesus my Lord, my God, my All
Jesus, my strength, my hope
Jesus, our best beloved Friend
Jesus, priceless treasure
Jesus! Redeemer, Saviour, Lord
Jesus shall reign where'er the sun
Jesus! stand among us
Jesus, still lead on
Jesus, the glories of Thy face
Jesus! the Name high over all
Jesus, the sinner's Friend, to Thee
Jesus, the sinner's Friend, We hide
Jesus, the spring of joys divine
Jesus, the very thought of Thee
Jesus, these eyes have never seen
Jesus, Thine all-victorious love
Jesus, Thou everlasting King
Jesus, Thou joy of loving hearts
Jesus, Thou sovereign Lord of all
Jesus, Thy blood and righteousness
Jesus, Thy boundless love to me
Jesus, Thy far-extended fame
Jesus, to Thee our hearts we lift
Jesus was slain for me
Jesus, we look to Thee
Jesus, we on Thy Word depend
Jesus, we thus obey
Jesus, we Thy promise claim
Jesus, where'er Thy people meet
Join all the glorious names
Join all who love the Saviour's name
Joy to the world! the Lord is come!
Just as I am, without one plea

King of my life, I crown Thee now

Lamb of God, Thou now art seated

Lamp of our feet, whereby we trace
Lead, Lord Jesus, my frail spirit
Lead me, Lord, lead me in Thy righteousness

Lead us, heavenly Father, lead us
Leader of faithful souls, and Guide
Leave God to order all thy ways
Let all the world in every corner sing
Let earth and heaven agree
Let earth and heaven combine
Let joyful tongues unite
Let my rest in Thee be peaceful
Let us love, and sing, and wonder
Let us sing the King Messiah
Let us with a gladsome mind
Lift up your heads, ye gates of brass
Lift up your heads, ye mighty gates
Light after darkness, gain after loss
Light of life, seraphic fire
Light of the lonely pilgrim's heart
Light of the world, for ever, ever shining
Light of the world, Thy beams I bless
Light up this house with glory, Lord
Like a river glorious
Lo! God is here! let us adore
Lo! He comes with clouds descending
Lo! round the throne, a glorious band
Lo! the storms of life are breaking
Long as I live I'll bless Thy Name
Look, ye saints, the sight is glorious
Lord, dismiss us with Thy blessing
Lord, enthroned in heavenly splendour
Lord from whom all blessings flow
Lord God Almighty, hear me now!
Lord God the Holy Ghost
Lord, her watch Thy church is keeping
Lord, I hear of showers of blessing
Lord, I was blind! I could not see
Lord, if one moment Thou Thy face shouldst hide
Lord, in love Thou didst receive us
Lord, in this blest and hallowed hour
Lord, it belongs not to my care
Lord Jesus, are we one with Thee?
Lord Jesus Christ, be present now
Lord Jesus Christ, we seek Thy face
Lord Jesus, think on me
Lord, my weak thought in vain would climb
Lord of all being, throned afar
Lord of the church, we humbly pray
Lord of the living harvest

Lord of the worlds above
Lord, speak to me, that I may speak
Lord, teach a little child to pray
Lord, teach us how to pray aright
Lord, Thou hast been our dwelling-place
Lord, Thy Word abideth
Lord, we come before Thee now
Lord, we lie before Thy feet
Lord, when we bend before Thy throne
Love divine, all loves excelling
Loved with everlasting love
Loved with love which knows no measure
Loving Shepherd of Thy sheep
Low in the grave He lay

Majestic sweetness sits enthroned

Make me a captive, Lord
Man of Sorrows, what a name
Master, speak! Thy servant heareth
May the grace of Christ our Saviour
May the mind of Christ my Saviour
Meeting in the Saviour's name
Messiah, joy of every heart
Mighty Christ from time eternal
Mighty God, while angels bless Thee
More about Jesus would I know
My dear Redeemer and my Lord
My faith looks up to Thee
My Father, for another night
My God, and is Thy table spread?
My God, how wonderful Thou art
My God, I am Thine
My God, I thank Thee, who hast made
My God, is any hour so sweet
My God, my Father, blissful name!
My God, my Father, while I stray
My God, the spring of all my joys
My gracious Lord, I own Thy right
My heart is full of Christ, and longs
My heart is resting, O my God
My Helper, God! I bless His Name
My hope is built on nothing less
My Jesus, I love Thee, I know Thou art Mine
My load of sin I now cast down
My Maker and my King
My rest is in Heaven, my rest is not here

My Saviour, I am Thine
My Shepherd will supply my need
My song is love unknown
My song shall bless the Lord of all
My soul, repeat His praise
My spirit longs for Thee
My spirit on Thy care
My thoughts surmount these lower skies
My times are in Thy hand

Name of Jesus! highest Name!

Nature with open volume stands
Nearer, my God, to Thee
Nearer, still nearer, close to Thy heart
Never further than Thy cross
New every morning is the love
No blood, no altar now
No more, my God, I boast no more
None other Lamb, none other Name
Not all the blood of beasts
Not what I am, O Lord, but what Thou art!
Not what these hands have done
Not worthy, Lord, to gather up the crumbs
Now, dearest Lord, to praise Thy Name
Now, gracious God, Thine arm reveal
Now I have found the ground wherein
Now may He who from the dead
Now may the gospel's conquering power
Now thank we all our God
Now the year is crowned with blessing
Now to Him who loved us, gave us
Now to the Lord a noble song!
Now to the Lord that makes us know
Now to the power of God supreme

O bless the Lord, my soul

O Breath of Life, come sweeping through us
O Christ in Thee, my soul hath found
O Christ, our true and only Light
O come, all ye faithful
O come, O come, Immanuel
O day of rest and gladness
O Father, all-creating
O for a closer walk with God
O for a faith that will not shrink
O for a heart to praise my God

O for a shout of sacred joy
O for a thousand tongues to sing
O give us homes built firm upon the Saviour
O glorious majesty on high
O God of all grace
O God of Bethel! by whose hand
O God of love, O King of peace
O God, Thou art my God alone
O God, Thou bottomless abyss!
O God, who didst from Adam's side
O God, who didst Thy will unfold
O happy band of pilgrims
O happy day, that fixed my choice
O happy home where Thou art loved the dearest
O, have mercy, gracious Saviour
O Heavenly King, look down from above
O Holy Ghost, Thy people bless
O Holy Spirit, come
O how the grace of God amazes me
O Jesus Christ, grow Thou in me
O Jesus, Friend unfailing
O Jesus, full of truth and grace
O Jesus, I have promised
O Jesus, King most wonderful
O Jesus, Lord of heavenly grace
O Lamb of God, still keep me
O little town of Bethlehem
O Lord, behold us at Thy feet
O Lord, enlarge our scanty thought
O Lord, how shall I meet Thee
O Lord, I would delight in Thee
O Lord my God, I stand and gaze in wonder
O Lord of heaven, and earth, and sea
O Lord our God, arise!
O Lord, Thy touch hath stirred my soul
O Lord, what offerings can we bring
O Lord, who shall ascend
O Love beyond conception great
O Love divine, how sweet Thou art!
O Love divine! what hast Thou done?
O Love of God, how strong and true
O Love, that wilt not let me go
O mighty Lord, give Thou Thy hand
O my Saviour, lifted
O perfect life of love!
O perfect Love, all human thought transcending

O praise ye the Lord!
O sacred head! sore wounded
O safe to the Rock that is higher than I
O Saviour, I have nought to plead
O Shepherd of the church, give ear
O Son of Man, O Son of God
O Spirit of the living God
O teach me what it meaneth
O tell me, Lord, what pleaseth Thee
O that the Lord would guide my ways
O the bitter shame and sorrow
O the deep, deep love of Jesus!
O the power of love divine
O thou, my soul, forget no more
O Thou, the contrite sinner's Friend
O Thou to whose all-searching sight
O Thou who camest from above
O Thou who hast redeemed of old
O Thou who this mysterious bread
O Thou, whom once they flocked to hear
O 'twas a joyful sound to hear
O walk with Jesus, wouldst thou know
O what a Saviour that He died for me!
O what amazing words of grace
O what matchless condescension
O what shall I do my Saviour to praise
O Word of God incarnate
O worship the King
O worship the Lord in the beauty of holiness
O Zion afflicted
O'er the gloomy hills of darkness
Of all the works of God we see
Oh for a faith's perception
Oh for that peace
Oh Lord, my soul approaches
Oh to search the wondrous wisdom
Oh what love, so vast and mighty
Omnipotent Lord, my Saviour and King
On that same night, Lord Jesus
Once in royal David's city
Once more before we part
Once more we come before our God
One day when heaven was filled with His praises
One there is above all others
Onward, Christian soldiers
Onward march, all-conquering Jesus

Open, Lord, my inward ear
Oppressed with sin and woe
Our blest Redeemer, ere He breathed
Our children, Lord, in faith and prayer
Our Father God, Thy name we praise
Our God! our God! Thou shinest here
Our God, our help in ages past
Our heavenly Father calls
Our heavenly Father, hear
Our Jesus is gone up on high
Our life is hid with Christ
Our Lord is risen from the dead!
Out of my bondage, sorrow and night
Out of the depths I cry to Thee

Pass me not, O gentle Saviour

Pause my soul and ask the question
Peace be to this habitation
Peace, perfect peace, in this dark world of sin?
Pleasant are Thy courts above
Plunged in a gulf of deep despair
Pour out Thy Spirit from on high
Praise God from whom all blessings flow
Praise Him, praise Him! Jesus, our blessed Redeemer
Praise, Lord, for Thee in Zion waits
Praise, my soul, the King of heaven
Praise the God of all creation
Praise the Lord His glories show
Praise the Lord! ye heavens, adore Him
Praise the Saviour, now and ever
Praise the Saviour, ye who know Him!
Praise to the living God
Praise to the Lord, the Almighty, the King of creation
Praise to Thee, Thou great Creator!
Praise ye Jehovah! praise the Lord most holy
Praise ye the Lord; 'tis good to raise
Pray that Jerusalem may have
Pray, without ceasing pray
Prayer is the soul's sincere desire
Precious Jesus, friend of sinners
Prepare me, gracious God
Prince of Peace, control my will

Redeemed how I love to proclaim it

Rejoice and be glad! the Redeemer hath come
Rejoice, believer, in the Lord

Rejoice, the Lord is King!
Rejoice, the Saviour reigns
Rejoice; 'tis not in sorrow
Rend the heavens Thou Prince of Glory
Return, O wanderer, return
Revive Thy work, O Lord
Ride on! ride on in majesty!
Rise, my soul, and stretch thy wings
Rock of Ages, cleft for me
Round the Lord in glory seated

Saviour, again to Thy dear Name we raise

Saviour, look on Thy beloved
Saviour, Thy dying love
Saviour, we now rejoice in hope
Saviour, we remember Thee
Search me, O God! my actions try
See, amid the winter's snow
See among the myrtles standing
See Christ the Victor raised
See he lies there in the manger
See how great a flame aspires
See Israel's gentle Shepherd stand
See, the Conqueror mounts in triumph
See the ransomed millions stand
Seek ye first, not earthly pleasure
Send forth the gospel
Shake the earth, O mighty Saviour!
Shall I, for fear of feeble man
Shepherd divine, our wants relieve
Shine Thou upon us, Lord
Shout for the blessed Jesus reigns
Show me myself, O holy Lord
Show me Thy face! – one transient gleam
Show pity, Lord; O Lord, forgive
Silent night! holy night!
Sinful, sighing to be blest
Sing, O sing, this blessed morn!
Sing praise to God who reigns above
Sing to the great Jehovah's praise
Sinners Jesus will receive
So let our lips and lives express
Soldiers of Christ, arise
Sometimes a light surprises
Son of His love – the image of the great Invisible
Sons we are by God's election

Songs of praise the angels sang
Sovereign grace o'er sin abounding
Sovereign Ruler of the skies
Sow in the morn thy seed
Speak, I pray Thee, gentle Jesus!
Speed Thy servants, Saviour, speed them
Spirit divine, attend our prayers
Spirit of faith, come down
Spirit of God, descend upon my heart
Spirit of God, that moved of old
Stand up, and bless the Lord
Stand up and bless the Lord your God
Stand up, stand up for Jesus
Stricken, smitten and afflicted
Stupendous height of heavenly love
Sun of my soul, Thou Saviour dear
Sweet feast of love divine!
Sweet is the work, my God, my King
Sweet the moments, rich in blessing

Take my life, and let it be

Take time to be holy, speak oft with thy Lord
Take up thy cross, the Saviour said
Talk with us, Lord, Thyself reveal
Teach me Thy way, O Lord
Tell me the old, old story
Tell out my soul, the greatness of the Lord!
Ten thousand times ten thousand
The atoning work is done
The Bible is God's book
The blood of Christ, Thy spotless Lamb
The church's one foundation
The day departs
The Day of Resurrection!
The day Thou gavest, Lord, is ended
The enormous load of human guilt
The Galilean fishers toil
The God of Abraham praise
The golden gates are lifted up
The gospel is most precious
The gospel of Thy grace
The happy morn is come
The head that once was crowned with thorns
The heavens declare Thy glory, Lord
The highway of the Lord hast thou not known?
The King of love my Shepherd is

The law of God is good and wise
The Lord ascendeth up on high
The Lord can clear the darkest skies
The Lord is King; lift up thy voice
The Lord is risen indeed
The Lord Jehovah reigns
The Lord will come, and not be slow
The means of grace are in my hand
The race that long in darkness pined
The robe of righteousness I wear
The sands of time are sinking
The Saviour calls, let every ear
The Saviour died, but rose again
The Saviour now ascends
The Saviour to glory is gone
The spacious firmament on high
The Spirit breathes upon the Word
The strife is o'er, the battle done
The veil is rent: lo! Jesus stands
The voice of God eternal
The voice that breathed o'er Eden
Thee, dearest Lord, my soul adores
Thee will I love, my strength, my tower
Thee will I praise with all my heart
There is a city bright
There is a friend whose faithful love
There is a fountain filled with blood
There is a green hill far away
There is a land of pure delight
There is a Name I love to hear
There is a path of pardon
There is a season known to God
There is an hour when I must part
There is life for a look at the Crucified One
There shall be showers of blessing
There were ninety and nine that safely lay
There's a work for Jesus
There's none but Jesus, lovely Lord
Thine be the glory, risen, conquering Son
Thine for ever! God of love
This day, at Thy creating word
This is the day of light
This is the day the Lord hath made
Thou art coming, O my Saviour
Thou art gone up on high
Thou art the Everlasting Word

Thou art the Way; to Thee alone
Thou dear Redeemer, dying Lamb
Thou didst leave Thy throne
Thou glorious Sovereign of the skies
Thou God of truth and love
Thou great mysterious God unknown
Thou hidden love of God, whose height
Thou hidden source of calm repose
Thou Judge of quick and dead
Thou only Sovereign of my heart
Thou Shepherd of Israel, and mine
Thou Son of God and Son of Man
Thou who at Cana didst appear
Thou who wast rich beyond all splendour
Thou whose Name is called Jesus
Though all the world my choice deride
Though I am the chief of sinners
Through all the changing scenes of life
Through the day Thy love hath spared us
Through the love of God our Saviour
Through the night of doubt and sorrow
Though troubles assail and dangers affright
Thy ceaseless, unexhausted love
Thy grace, my God, is mighty
Thy life was given for me
Thy mercy, my God, is the theme of my song
Thy presence, gracious God, afford
Thy way, not mine, O Lord
Thy works, not mine, O Christ
Till He come! O let the words
'Tis finished! the Messiah dies
'Tis not by works of righteousness
'Tis not that I did choose Thee
'Tis the church triumphant singing
'Tis to Thee we owe allegiance
To Calvary, Lord, in spirit now
To Christ for help I fly
To God be the glory! great things He hath done!
To God the Father, God the Son
To God, the only wise
To heart and soul how sweet Thou art
To Him that chose us first
To our Redeemer's glorious Name
To the name of our salvation
To Thee, O Lord, our hearts we raise
To us a child of royal birth

Today Thy mercy calls us
Triumphant, Christ ascends on high
Triumphant Zion, lift thy head
'Twas God that made the ocean
'Twixt gleams of joy

Unto the hills around do I lift up

Unto the Lord come, raise together

Walk in the light and thou shalt own

We bid thee welcome in the Name
We bless Thee for Thy peace, O God
We come unto our fathers' God
We give immortal praise
We have heard the joyful sound
We know, by faith we surely know
We love the place, O God
We plough the fields and scatter
We praise and bless Thee, gracious Lord
We praise Thee, we bless Thee
We praise, we worship Thee, O God
'We rest on Thee', our Shield and our Defender!
We saw Thee not when Thou didst come
We sing the praise of Him who died
We stand before the Judge of time
We worship Thee, the King of grace
Weary of earth and laden with my sin
Weary souls, that wander wide
Welcome, welcome! sinner hear
What a divine harmonious sound
What a Friend we have in Jesus
What can wash away my stain
What grace, O Lord, and beauty shone
What is this, the cloud that darkens
What shall I do my God to love
What shall I render to my God
'What think ye of Christ?' is the test
What various hindrances we meet
What was it, O our God
What will it be to dwell above
Whate'er my God ordains is right
When all Thy mercies, O my God
When cold our hearts, and far from Thee
When I survey life's varied scene
When I survey the wondrous cross
When morning gilds the skies

When oceans vast their depths reveal
When on Calvary I rest
When peace like a river attendeth my way
When quiet in my house I sit
When sins and fears prevailing rise
When storms of life engulf my way
When this passing world is done
When Thou, my righteous Judge, shalt come
When upon life's billows you are tempest toss'd
When we cannot see our way
When we walk with the Lord
Where high the heavenly temple stands
Wherewith, O God, shall I draw near
Which of the monarchs of the earth
While in sweet communion feeding
While shepherds watched their flocks by night
Who can cheer the heart like Jesus
Who fathoms the eternal thought?
Who is He in yonder stall
Who is on the Lord's side?
Who is this fearful foe
Who is this, so weak and helpless
Who is this that looked upon me?
Who is this, with joy approaching
Who shall the Lord's elect condemn?
Who trusts in God, a strong abode
Who would true valour see
Whom shall I fear on earth below
Whom should we love like Thee
Why is my faith so weak and faint?
Why should I fear the darkest hour?
Why should I sorrow more?
Why should the children of a King
Will your anchor hold in the storms of life
With broken heart and contrite sigh
With glorious clouds encompassed round
With harps and with vials there stand a great throng
With joy we meditate the grace
Witness, ye men and angels now
Wondrous King, all glorious
Would Jesus have the sinner die?
Would you be free from your burden of sin?

Ye holy angels bright

Ye humble souls that seek the Lord
Ye pilgrims of Zion, and chosen of God

Ye servants of God
Ye servants of the Lord
Ye slumbering souls, arise!
Ye souls redeemed with blood
Ye that know the Lord is gracious
Ye trembling souls, dismiss your fears
Yes, God is good!
Yes, the Redeemer rose
Yield not to temptation
Your harps ye trembling saints
